Title III FFY 2022 – 2024  Request for Proposal

Greater Springfield Senior Service, Inc. (GSSSI), a private non-profit Area Agency on Aging and Aging Services Access Point, is pleased to announce Federal Title III Request For Proposals (RFP) in accordance with requirements found in the Older Americans Act of 1965, and as amended. GSSSI serves adults 60 years of age and older and unpaid or family caregivers. This process is part of the mandate to plan and assist in developing a comprehensive, community-based service network.

Parameters

Service priorities for the FFY 2019–2021 Request For Proposal (RFP) process have been established by GSSSI Area Agency on Aging Advisory Council to ensure compliance with Older Americans’ Act requirements. The Area Agency on Aging will consider funding those programs which best meet the priorities listed and demonstrates the capacity to accomplish their plan.

Proposals are welcome from providers who have demonstrated experience working with adults 60 years of age and older, which will serve the communities of; Agawam, Brimfield, East Longmeadow, Hampden, Holland, Longmeadow, Monson, Palmer, Springfield, West Springfield, Wales and Wilbraham. Projects will be considered if they provide direct services to adults 60 and older and their caregivers. Special consideration will be given to those projects who are able to provide in-home services in accordance with Covid-19 precautions. Proposals which include subcontracting arrangements will not be considered. Partnership and collaborations are encouraged; however a lead agency must be indicated in the proposal. The lead agency is responsible for all aspects of proposed program.

Funding priorities include services to those age 60 and older who are socially and economically needy; who reside in rural or urban areas; are disabled; are limited in English-speaking ability; who have Alzheimer's Disease or another related disorder; or who are caregivers of someone with Alzheimer’s.
Specific funding considerations will also include:

- **Direct Assistance** - assist seniors and caregivers in obtaining access to services and resources and provide follow up to ensure needs have been meet. Assist seniors in their homes if needed, as well as at office; reach out to isolated seniors, especially targeting low-income older adults who are at risk due to poor health or lack formal or informal support. Tasks include completion of public benefits applications including fuel assistance, SNAP, housing, etc. All work must be documented in monthly reports and is subject to annual audits. **Wellness calls will only be accepted as outreach in the event the organization is restricted by a regulatory body from conducting in-home or office visits.**

- **Alzheimer’s Disease**: provide education, counseling, assessment, medication management or advocacy for those who suffer from Alzheimer’s Disease and other related dementias and their caregivers. All activities must be documented.

- **Health/Wellness/Fitness**: provide assessment, evidence-based education groups, educational programs or activities to foster a healthier lifestyle.

- **Legal Services**: provide advice and consultation, drafting legal documents, negotiation, community education, outreach, and the representation of clients to the extent permitted by the Older Americans Act.

- **Nutrition Services**: provide Senior Community Dining (congregate) Meals, Home Delivered Meals, meals to those who are homeless or other nutrition related services. **Grab and Go style meals are only permitted while regulatory flexibilities are in place or approved by EOA.** **NAPIS form documentation will be provided and completed forms are required.**

- **Services to Maintain Independence**: provide services identified as essential in maintaining elder safety which may include in-home foot care, home repair, telephone reassurance, companion services, medical companion escort, etc.

- **Social Isolation and Loneliness** - provide services to keep seniors connected to others and their community. Special consideration will be given to projects who utilize technology to combat social isolation.

- **Transportation** – provide services which may include volunteer services, medical escort, etc.

This is a competitive process where requests exceed available funds. Decisions are determined as a result of a thoughtful and thorough review process by community volunteers. Successful applicants will receive a one-year grant funding agreement, with two additional years of funding renewable dependent on available funding and successful program performance. Funding for services is expected to begin October 1, 2021.

Application & Budget Instructions

Please note the exact form spacing must be preserved; unless additional “lines” are added to budget page to insure complete information. The bolded “funding request” on the first page of the application is where you place the amount of funds you are requesting through this proposal. The same amount should be listed on the budget page on the “GSSSI Title III grant funding request” line.

More information about the process and application will be offered at the Virtual Technical Assistance and Training Meeting on Friday, April 30th from 11 am-12 pm. Please email Anna Randall, Area Agency on Aging Director at anna.randall@gsssi.org to RSVP.

Those who submit complete applications may invited to share additional details with the RTF to share supporting documents and/or address any questions or concerns.

Return one (1) original application with all required documentation and policies. Please complete one (1) application for each proposed service. Multiple funding requests submitted on one application will not be accepted. For example, if you propose nutrition services and also social isolation programming, you must use two separate applications.

Proposal Review Criteria

This is a competitive process where requests exceed available funds. Funding is determined through a thoughtful and thorough review process by community volunteers. The Area Agency on Aging (AAA) Review Task Force with the counsel of the AAA Advisory Council makes recommendations to the GSSSI Board of Directors’ Program and Services Committee. The GSSSI Board of Directors authorizes all awards.
All proposals will be evaluated using the following criteria:

1. Demonstrated need for this service;
2. Demonstrate and quantify the impact of this service;
3. Demonstrated expertise in the provision of the proposed service;
4. Demonstrated capacity to manage the program in a responsible, professional manner;
5. Capacity to deliver a quality, concrete service in a cost-effective manner;
6. Ability to address the service areas and meet all funding requirements;
7. Sustainability of service;
8. Ability to comply with administrative requirements (billing, monthly reports, etc.).

**Compliance/Assurances with Regulation and Policy**

All activities carried out as a result of a grant awarded from this RFP process are bound by applicable state and federal regulations, policies, rules, executive orders and procedures as required by Greater Springfield Senior Services, Inc. The Assurance of Compliance portion of the proposal lists applicable compliance rules and regulations. The Assurances must be signed, dated, and submitted with the application, as it is an integral component of the proposal.

**Fiscal Policies**

All programs receiving a grant funded with Title III monies must contribute the required fifteen (15%) percent of support from non-Federal sources. This contribution may be in-kind, cash or both, and must be used to cover overall program expenses as indicated in the submitted budget.

Federal regulations require that recipients of Title III services be given the opportunity to make voluntary and confidential donations for services received. Program income generated through donations shall remain with the Grantee to be used for approved budget expenses within the approved budget period. All programs are expected to have in place a system and a policy by which to accept voluntary and confidential donations. Projects must have a procedure to safeguard and account for all funds. Projects are required to report funding in the monthly mandatory reports submitted to GSSSI.
**Income & Expenses**

The Budget form is a line-item income and expense statement reflecting total annual revenue and costs for the program being proposed. Total Income and Total Expense should equal.

Incomplete or insufficient information will result in a delay of the processing of proposals received or proposals not considered for funding. Enter all income sources that support the proposed service. Income could be from city/town budgets, voluntary donations, other grant sources, etc. Pending or anticipated funding sources should be labeled accordingly.

Indicate each general expense item funded by the proposed program or service (i.e., specific staff positions, amount of fixed costs charged to the program, travel, etc.) along with the amount of the item.

**In-Kind Support**

In-kind support is “non-cash” donations that benefit programming, fund-raising efforts, or volunteer assistance to offset costs.

**Due Date**

Proposals are due by Monday, May 10th, 2021 by 4:00 p.m. Applicants are required to submit one (1) original proposal and all documentation together. Completed proposals can either be dropped off at GSSSI 66 Industry Ave, Ste 9, Springfield, MA 01104 or emailed to anna.randall@gsssi.org by Monday, May 10th 2021 by 4 pm. Proposals submitted after the established deadline will not be considered for funding. Faxed or mailed proposals will not be accepted.

**Proposal Rejection Criteria**

Greater Springfield Senior Services, Inc. reserves the right to reject any and all proposals, to waiver technical defects where warranted to meet stated needs, and to accept or reject any part of any proposal submitted as a result of this RFP.
Proposals must be presented in the format and sequence detailed in this RFP and must be complete. Failure to respond in this manner is sufficient basis for elimination from consideration during comparative review and evaluation.

GSSSI reserves the right to withhold a portion of available funding for a subsequent RFP process should there be insufficient response for specific service needs.

**Appeals Procedure**

Applications denied for funding may appeal the decision. Information about this process, along with the relevant materials will be made available.
Proposals are due by Monday, May 10th, 2021 by 4:00 p.m.
